**What is “Neurodiversity”?**

Neurodiversity commonly includes but is not limited to autism, ADHD, dyspraxia, dyslexia, dysgraphia, OCD, dyscalculia, and/or Tourette’s. One in 10 people are considered neurodivergent.

**Is the Neurodiversity Candidate Network (NDCN) Right for Me?**

*If you self-identify* as having any of the above conditions or profiles, join our community today to enhance your progress toward a post-college career you want.

*If there is uncertainty* about whether to consider yourself neurodivergent, reach out to us at CNDEI.

**How Does the Center Help Neurodiverse Candidates?**

- Connection to internships and jobs
- Non-traditional work experience opportunities
- Support for job search, resume, applications, and interviewing
- Membership with a group of like-minded peers
